Pro Statistics

2007 Monster Energy East Coast Supercross Series placed 13th in St. Louis and 16th in the Classic Daytona Supercross as a first year rookie.

Kyle was chosen by Factory Suzuki to go down under to Australia to compete in the highly competitive Pro Lites class in the 10 race National Series. He finished just a few points shy of 3rd with a 4th place overall in the Championship.

Kyle completed his rookie campaign in fine fashion with a trek to Europe to race some SX rounds all through Germany, Italy, and Russia, finishing on the Podium at every round and earned a 1st place overall at the Chemnitz Germany SX.

Kyle rode a few selective races during the 2008 AMA Outdoor Nationals due to some nagging injuries. He still earned national number 98 with 4 top 20 finishes and 2 top 15 finishes.
